Subject: Port Heiden - Compliance Advisory Letter

Steve, attached is a Compliance Advisory Letter in response to problems that have come to light over how fieldwork was conducted during the 2009 cleanup work at Port Heiden. As you know, this is a serious issue and DEC needs to be on the record documenting the alleged violations. We appreciate the Air Force cooperation and responsiveness to date.

John Halverson **Environmental Program Manager ADEC Contaminated Sites Program** 555 Cordova Street Anchorage, AK 99501

Phone: 907-269-7545
